

## **Declaration of Participation in Open Government Partnership**

Considering the fact that I am taking part in 2017 elections for Mayor of Tbilisi;

Being familiar with the Open Government Partnership program and considering it to be a valuable tool for transparent, accountable, technologically advanced policy building, civil participation, decision making based on the needs of diverse public groups:

**Hereby I am signing the present declaration.**

- I will continue to uphold commitments of the action plan undertaken in the frame of the OGP subnational program;
- I will conclude new action plan of the OGP subnational program through assuming new, ambitious, effective commitments, based on the needs of the population and focus on their implementation;
- I will promote establishment of independent structural units in Tbilisi City Hall and will ensure regular participation of high-rank officials from Tbilisi City Hall in Open Government Partnership.
- Within the current working group, I will strengthen cooperation with public associations. I will promote greater stakeholder involvement in the group.
