Re: Grant Number OR2023-88578, Amendment

Dear Dr. Ketevan Khutsishvili:

On March 23, 2023, Open Society Georgia Foundation (the "Grantee") was awarded a grant in the total amount of 2,567,952.00 USD. The grant is made as part of the activities of the Open Society Foundations and it is administered by OSF Services Berlin GmbH ("OSF Services Berlin"), a German services company, acting as the agent of FOSI. The parties by signing the present Amendment Agreement hereby amend the existing agreement underlying the abovementioned grant (the "Agreement") as follows:

The grant period shall be extended to end on **December 31, 2026**.

The final financial and narrative reports are now due on **February 28, 2027**.

Those parts of the original Agreement that are not affected by the present Amendment Agreement shall remain in force without any change.

By countersigning this Amendment Agreement, the Grantee agrees to fulfill all terms and conditions as stated in the original Agreement and the present Amendment Agreement. In addition, the Grantee confirms that all previously submitted information, including but not limited to the ability to achieve the charitable goal of the grant, remains accurate and in effect.

Please return an executed copy of this Amendment Agreement to us.

On behalf of FOSI, may I extend my best wishes for the success of your Project.

Very truly yours,
